GETTING THERE

The airstrip used for Mboma Island Expeditions Camp is the Xakanaxa airstrip. Mboma is accessed via a road/game drive transfer from the airstrip to Mboma Island Expeditions Camp. Guests that fly in will be transferred by road into Mboma or they can self-drive from Maun to Mboma Island Expeditions Camp.

Please note that self-drive guests that fly into Maun on the scheduled flights from Johannesburg & Cape Town are not able to self-drive on the day of arrival, as it is a 5-hour drive. They can only access Mboma in time on the day of arrival by flying to the Xakanaxa airstrip.
